

FENCES

I. WHEN IS A BUILDING PERMIT REQUIRED FOR A FENCE?

Permits are not required for all fence-type structures in excess of thirty-two inches above grade and not over 6 feet in height and accessory to one-, two- and three- family dwellings. However, when exempted fences are located in a Historic District, an application must be made for a Certificate of Appropriateness. Please note that permits are required for fences in office, commercial and manufacturing districts.

II. WHAT CODES/REGULATIONS ARE APPLICABLE?

All work performed must be in accordance with the Cincinnati Zoning Code, the Cincinnati Building Code, Ohio Building Code and all other applicable laws and ordinances.

Zoning Code Administration - 352-3273

III. HOW DO I OBTAIN A PERMIT?

Complete an application for a permit and submit three copies of plans for review to the Business Development and Permit Center, 3300 Central Parkway, Cincinnati, Ohio 45225. The plans shall include the following:

A. Plot Plan - Drawn to scale showing:

1. Property lines (and property dimensions)
2. All existing and proposed structures (for example, fence)
3. North arrow

B. Miscellaneous Information

1. The maximum height of a fence in a residential district is four to six feet as provided in Section 1421-33(b) of the Zoning Code.
2. The fence should be structurally adequate and constructed on your property (up to the property line but not beyond).
3. The "good" side of your fence may face in any direction (toward your property or away from your property).
4. Electrical, barbed and razor wire fences are prohibited in single family, multi-family, office, downtown and Institutional-Residential Districts. They are conditional uses in commercial, Manufacturing and Riverfront Districts, Section 1421-33(f) of the Zoning Code.
5. Any walls to be constructed as fences will need to be accompanied by detailed construction drawings and will be reviewed by the Building Code Plans Examiner (352-3313).
